Productmanager devices

Melle Lelieveld
Partnermanager KPN IoT

Let's
Connect! | kpn IoT

We can deliver the best IoT devices

KPN Portfolio Device

- Track and Trace
- Sensor based
- Connected products
- Local IoT networks

**More than 250K devices active**

Fully tested and delivered by KPN

Things Ready Devices

- Easy onboarding
- Big network of KPN-IoT device suppliers

Over 50 parties in network

Customized Device

- Cost-efficient for big numbers
- From design to production

**4 premium device partners**

Fully tested and delivered by KPN

Let's Connect! | kpn IoT

The right device increases the value

# We are the IoT Device expert

- Advice & design

- Testing

- Onboarding & Support
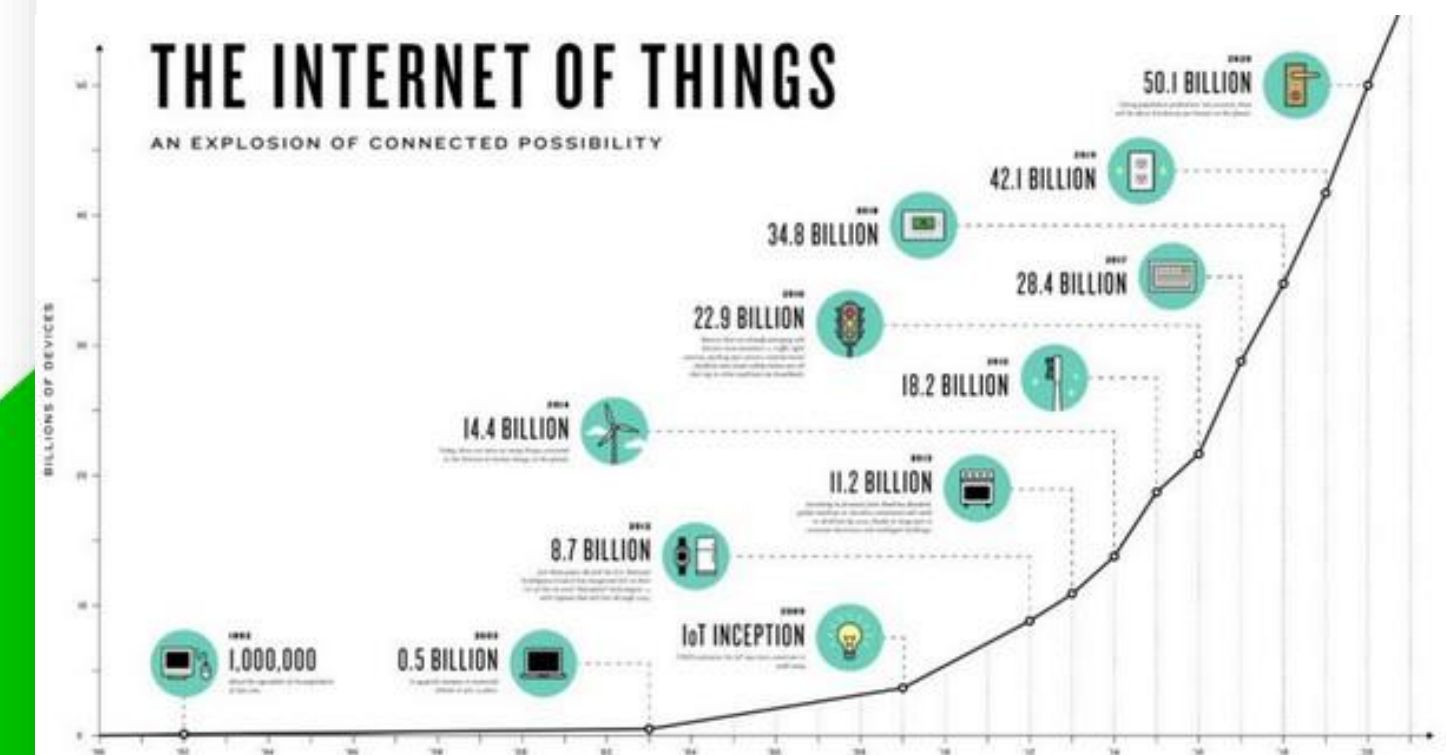

- Ordering, handling and administration

- Warranty

24/7

Let's Connect! | kpn IoT

Innovations and trends

Network Positioning

Energy harvesting

Thermal

Vibration

Solar

RF

Scaling

THE INTERNET OF THINGS
AN EXPLOSION OF CONNECTED POSSIBILITY

Roadmap KPN
